Separate permits are required for electrical, plumbing, and gas. This permit becomes null and void if work authorized is not commenced within 6 months, or if work is suspended or abandoned for a period of 6 months at any time after work is commenced. It is understood that permit issuance does not imply, or represent that the proposed work complies with any subdivision or deed restrictions, restrictive covenants, or other conditions that may be applicable to a particular parcel or property.

I hereby certify that I have read and examined this application, and the information herein is true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether or not specified herein. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
