A. Site Plan – Casey’s General Store

Rob Sweed with Casey’s General Store reviewed the plans. He noted that the engineers are working on the engineer’s and planner’s comments. Mr. Sweed noted they expect to start in April or May 2026 and should be a 20-week build. He did confirm that they would coordinate with school schedule to minimize the traffic hazard. Jonathan Roland made the motion to approve the site plan of Casey’s General Store contingent of completion of city planner and city engineer’s requirements. Chad Nunnery seconded the motion. Motion passed unanimously.
